Education

2021 – Sept 2025 **PhD in Economics**, *University of East Anglia*, Norwich, UK,
(submitted) (specialisation: Behavioural & Experimental Economics; Public Economics)
2010 – 2015 **PhD in Energy Economics**, *Allameh Tabataba'i University*, Tehran, Iran,
(specialisation: Cooperative Game Theory; Public Economics)
2007 – 2010 **MSc in Economics**, *Allameh Tabataba'i University*, Tehran, Iran
2003 – 2007 **BSc in Economics**, *Allameh Tabataba'i University*, Tehran, Iran

Area of Interest

Behavioural & Experimental Economics; Inequality & Fairness; Game Theory; Decision-making under Uncertainty; Public Economics; Development; Environmental Economics; Behavioural Economics of Technology & AI

Work In Progress

Working Paper **Is Inequality Acceptable? An Experiment on Procedural Fairness** (with Robert Sugden & Sheheryar Banuri).
Working Paper **Strategic Fairness and the Sources of Inequality** (with Robert Sugden & Sheheryar Banuri).
Working Paper **An Experimental Investigation of Players' Choice Strategies in Pure Coordination Games** (with Robert Sugden & Sheheryar Banuri).
In Progress **Cooperation and Inequality: An Experimental Approach** (with Gabriele Camera). Finalising design.
In Progress **Coordination in MAD Chairs** (with Stefan Penczynski & Chris Santos-Lang). Pilots on Prolific.

Peer-reviewed Publications

2021 **Jafarzadeh, A.**, Shakeri, A., Ghasemi, A., & Javan, A. "Possibility of potential coalitions in gas exports from the Southern Corridor to Europe: a cooperative game theory framework." *OPEC Energy Review*, 45(2), 217–239.
2021 Baghdadi, S., Moshiri, S., & **Jafarzadeh, A.** "Iran's role in Caspian Basin gas transfer: a cooperative game theory approach." *J. of Energy Planning & Policy Research*, 7(2).
2020 **Jafarzadeh, A.**, Abdoli, G., & Javan, A. "Bargaining Power of Gas Export Options from the Southern Corridor to Europe." *Iranian J. of Economic Research*, 25(84), 1–34.
2019 Bayati, E., Safavi, B., & **Jafarzadeh, A.** "Iran–Qatar cooperation in South Pars (North Dome) gas field: a game theory framework." *Economic Modelling*, 13(45), 47–72.

- 2015 **Jafarzadeh, A.**, Shakeri, A., Momeni, F., & Abdoli, G. "Coalition among Iran, Azerbaijan & Turkmenistan to export gas to Europe: a game-theoretic framework." *Iranian J. of Economic Research*, 19(61), 1–29.
- 2014 **Jafarzadeh, A.**, Shakeri, A., Momeni, F., & Abdoli, G. "Cooperation among Caspian gas exporters with environmental requirements: a game-theoretic framework." *Economics Research*, 14(55), 1–40.

Scholarships and Grants

- 2021 – 2024 Fully funded PhD Scholarship, Faculty of Social Sciences, UEA (£50,100).
- 2022 – 2024 Research funding, CBESS, UEA (£6,300).

Professional Experience

- 2025 **Research Assistant to the Lab Manager**, *University of East Anglia*
Organisation and running of lab experiments: oTree programming, participant management, and coordination with faculty/PhD researchers.
- 2023 – 2024 **Research Assistant to the Data Editor**, *Economic Inquiry*
Evaluated conditional papers for open-science/replication compliance; assisted reproducibility checks aligned with journal policy.
- 2023 – 2024 **Co-organiser**, *CCC Workshop, Norwich*
Programme planning, speaker coordination, and event logistics.
- 2015 – 2021 **Economic Analyst & Consultant**, *Turquoise Partners*
Produced economic reports and market analyses for investment decisions, including risk assessment and asset pricing for listed equities.

Presentations

- 2025 ASFEE Conference (Nancy); CCC Workshop (Amsterdam).
- 2024 ESA European Meeting (Helsinki); Workshop on Experiments & Behavioural Economics (Soletto); 10th Behavioural Game Theory Workshop (Norwich); CCC Workshop (Norwich).
- 2023 Fairness & the Moral Mind Workshop (NHH, online); ESA European Meeting (Exeter); CCC Workshop (Nottingham).

Additional Training

- Feb 2025 LLM Text Classification Workshop, University of East Anglia.
- Jun 2024 Discrete Choice Experiments, CSERGE, UEA.
- Jun–Jul 2022 oTree Course, Experimental Social Sciences, University of Oxford.
- May 2022 Experiments, Summer School, University of East Anglia.

Affiliations and Academic Memberships

Centre for Competition Policy (CCP), UEA
Associate Fellow, Advance HE (UKPSF)
International Behavioural Public Policy Association (IBPPA)
Royal Economic Society
Economic Science Association (ESA)
Centre for Behavioural and Experimental Social Science (CBESS), UEA

Teaching and Advising Experience

University of East Anglia

2022 – 2025 **Associate Tutor**

Taught and supported courses at Bachelor's and Master's level, including Microeconomics, Macroeconomics, Econometrics (Econometric Methods; Financial Econometrics), Economics & Business, and Responsible Business Regulation.

[Allameh Tabataba'i University](#)

2010 – 2021 **Part-time Lecturer**

Courses taught at Bachelor's and Master's level: Game Theory; Advanced Microeconomics; Microeconomics; Macroeconomics; Introduction to Economics; International Trade; Iranian Economy.

2015 – 2019 **Master Thesis Advisor**

Supervised theses on cooperative game-theoretic analysis of Caspian Basin hydrocarbons strategy (2019) and Iran–Qatar cooperation in South Pars gas field (2015).

Language and Computer Skills

Languages Persian (native), English (fluent), German (beginner)

Computer oTree, Heroku, Prolific, Python, Stata, R, HTML, CSS, \LaTeX
